

Nurture at Olton Primary

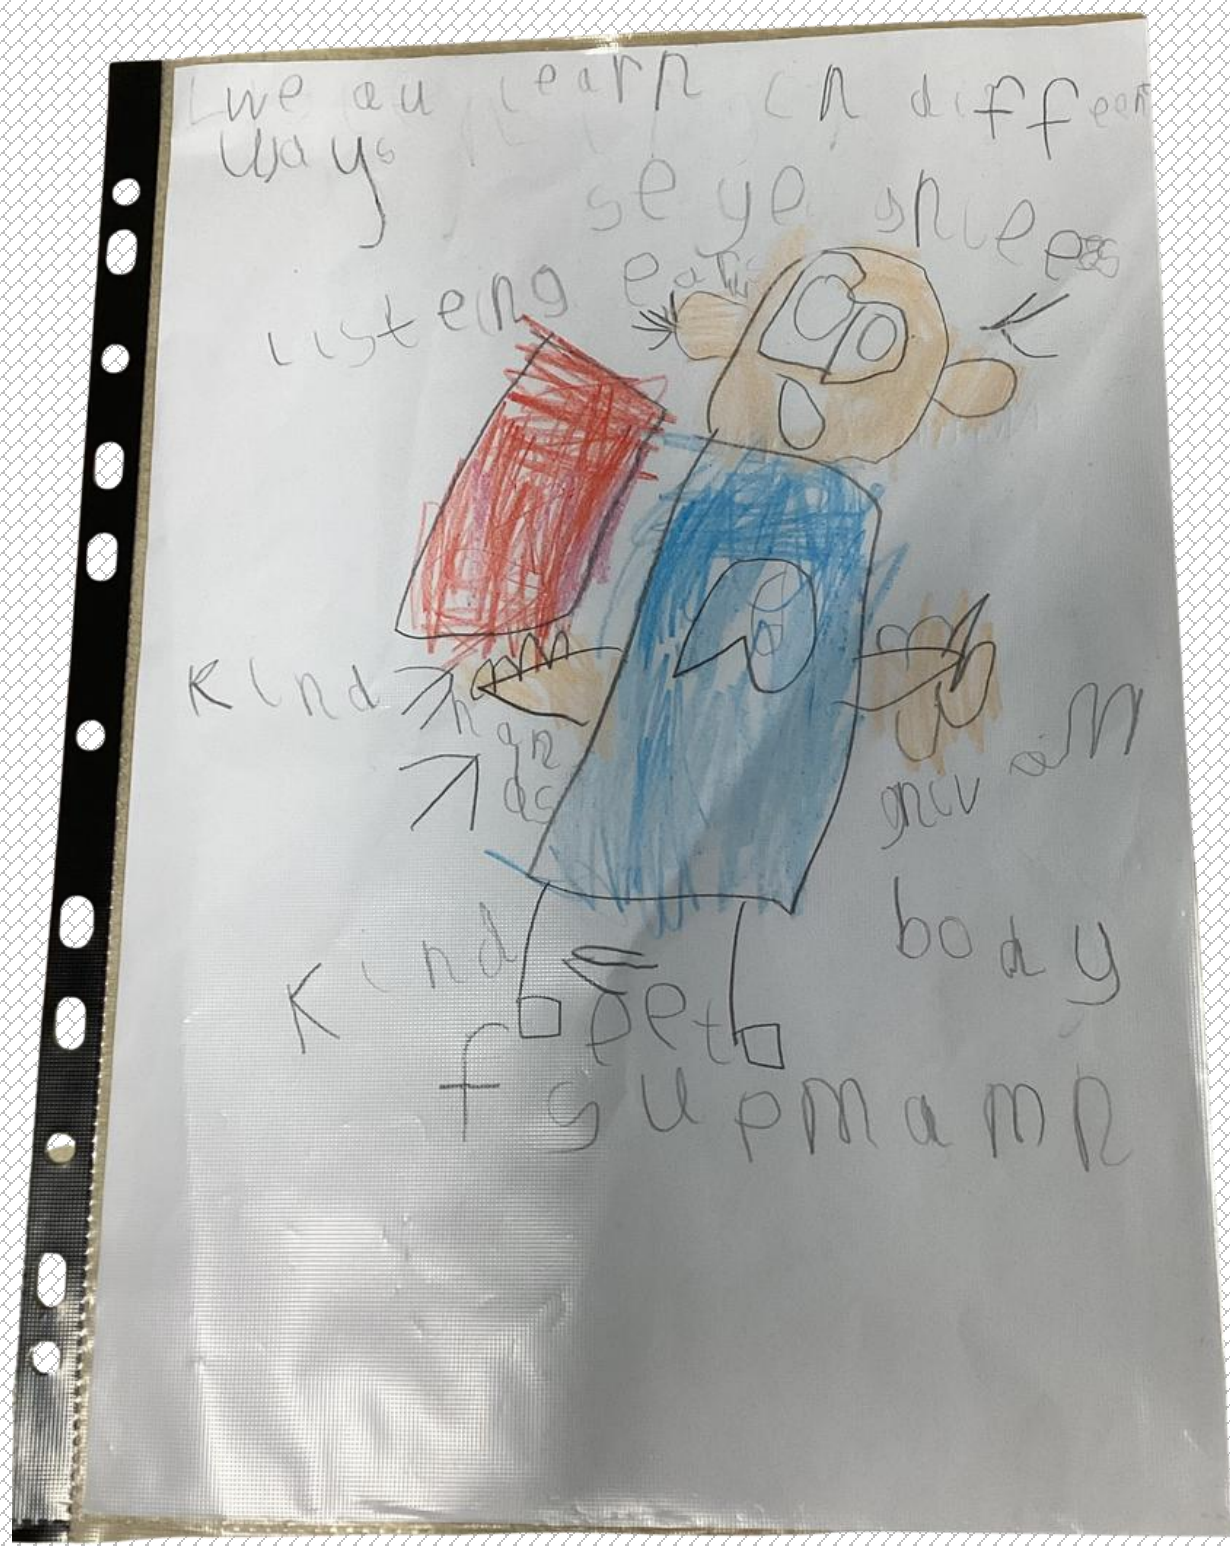

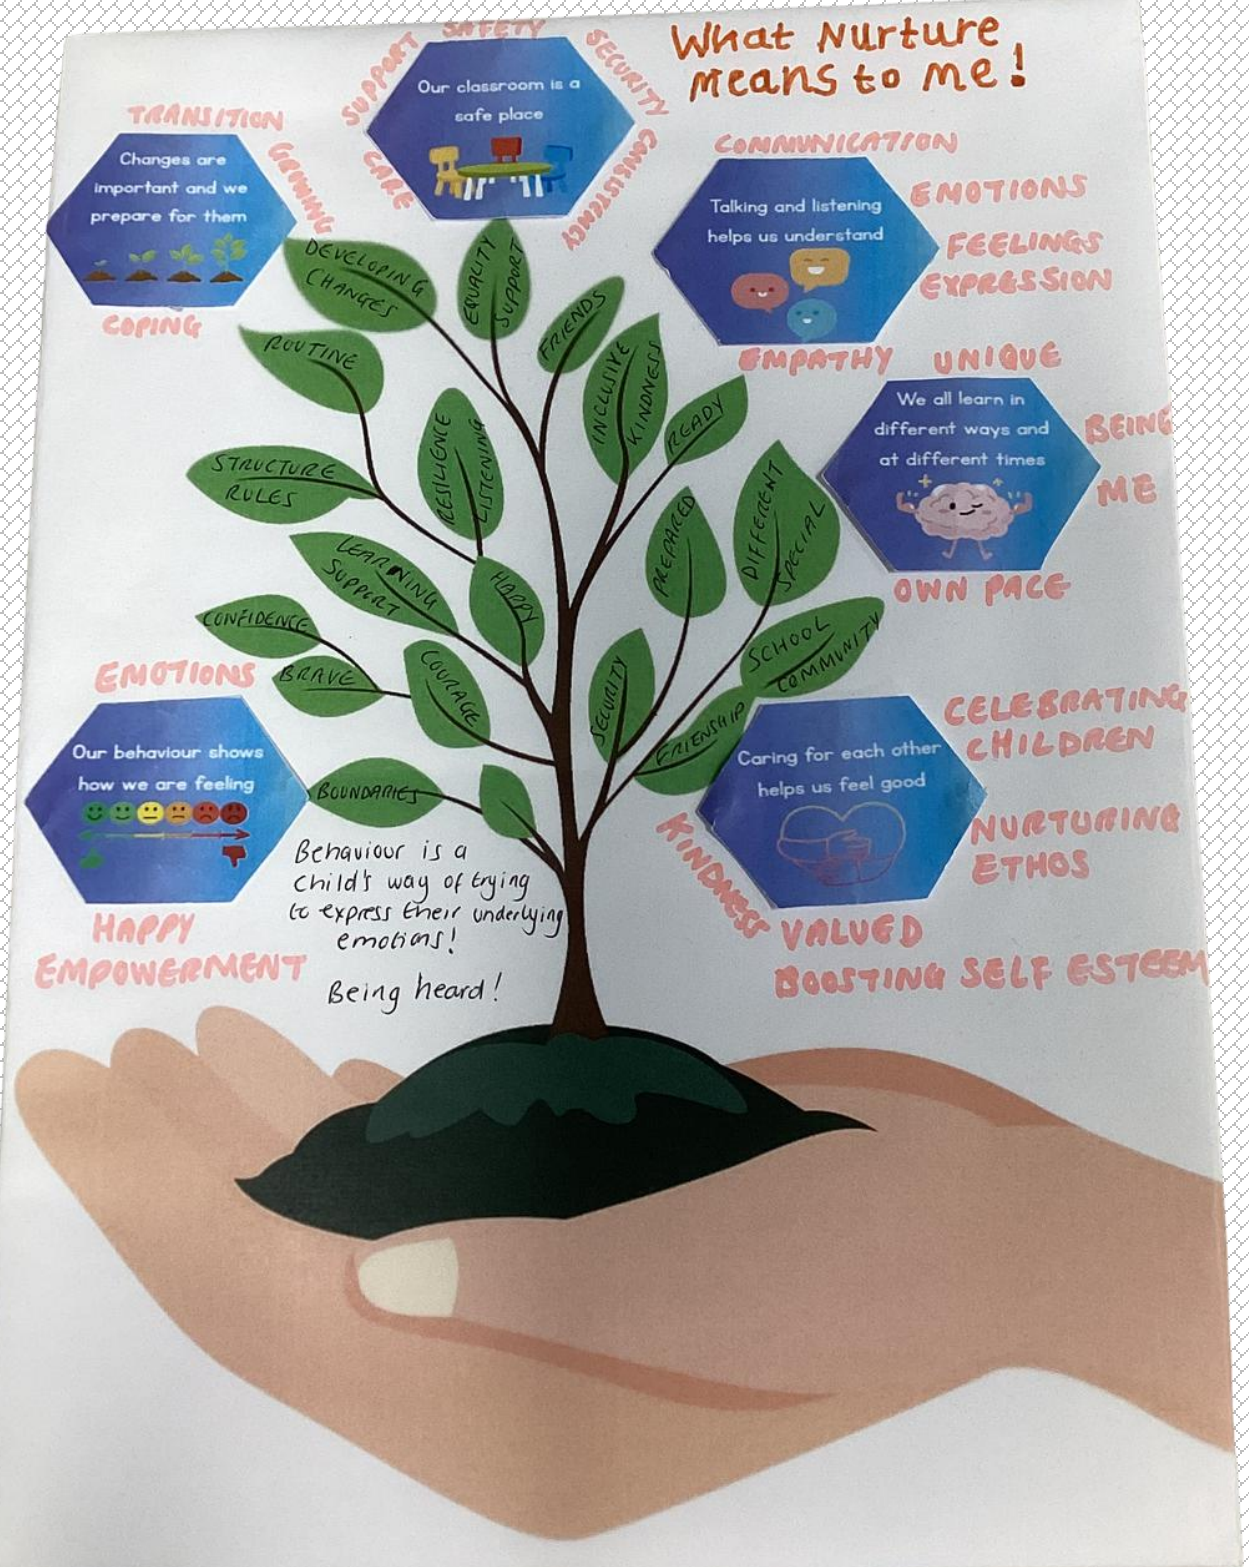

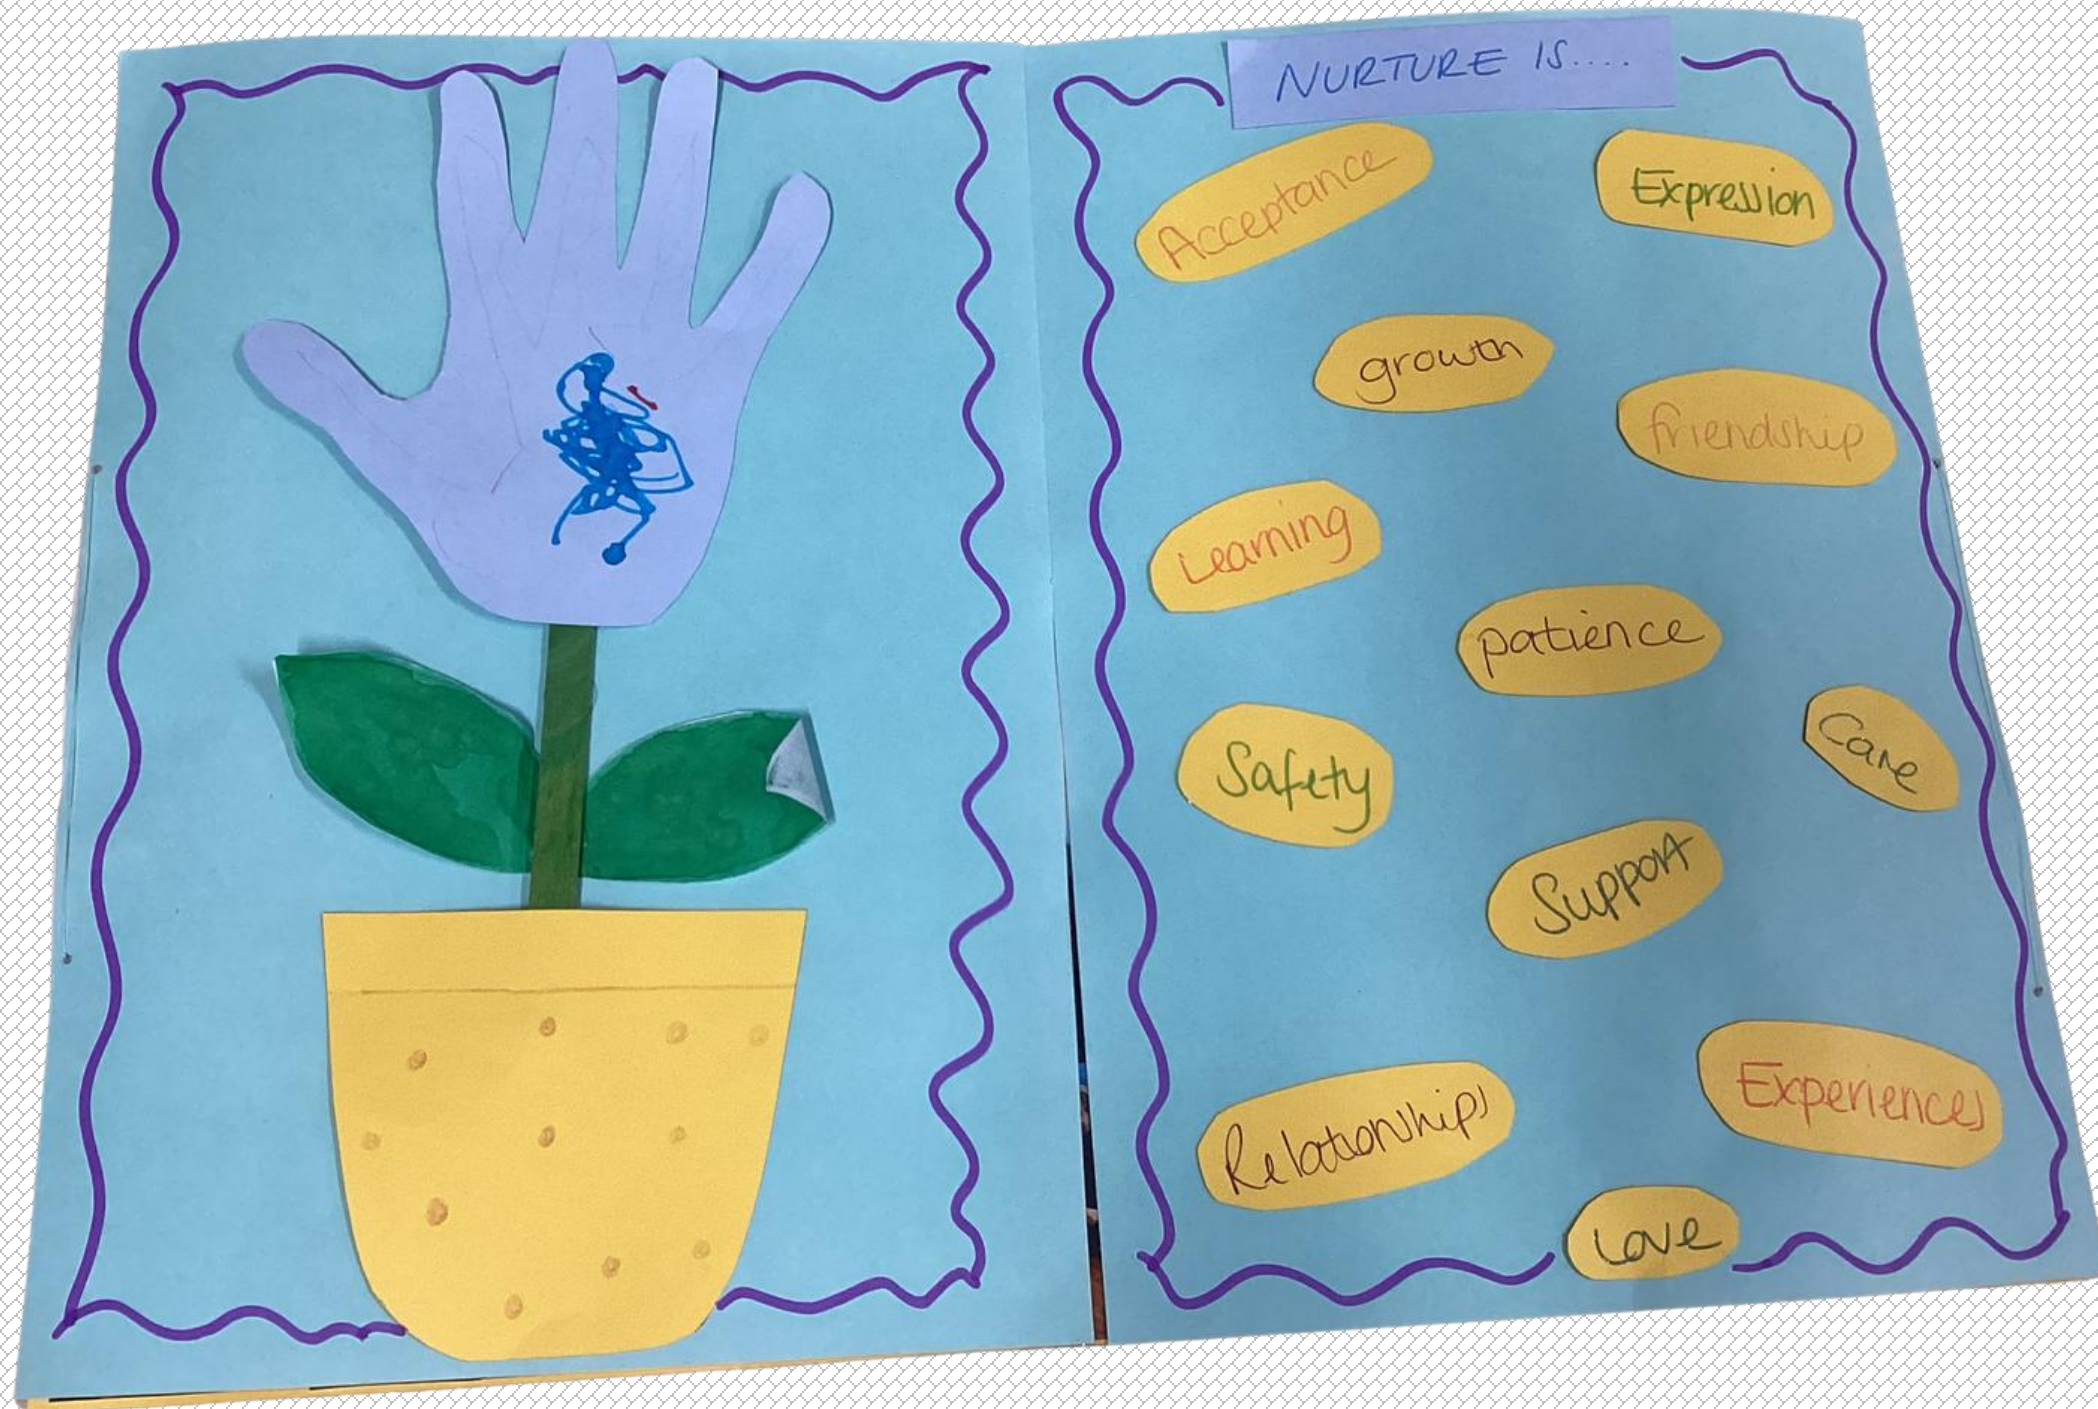

Our 2026 Nurture Competition entries

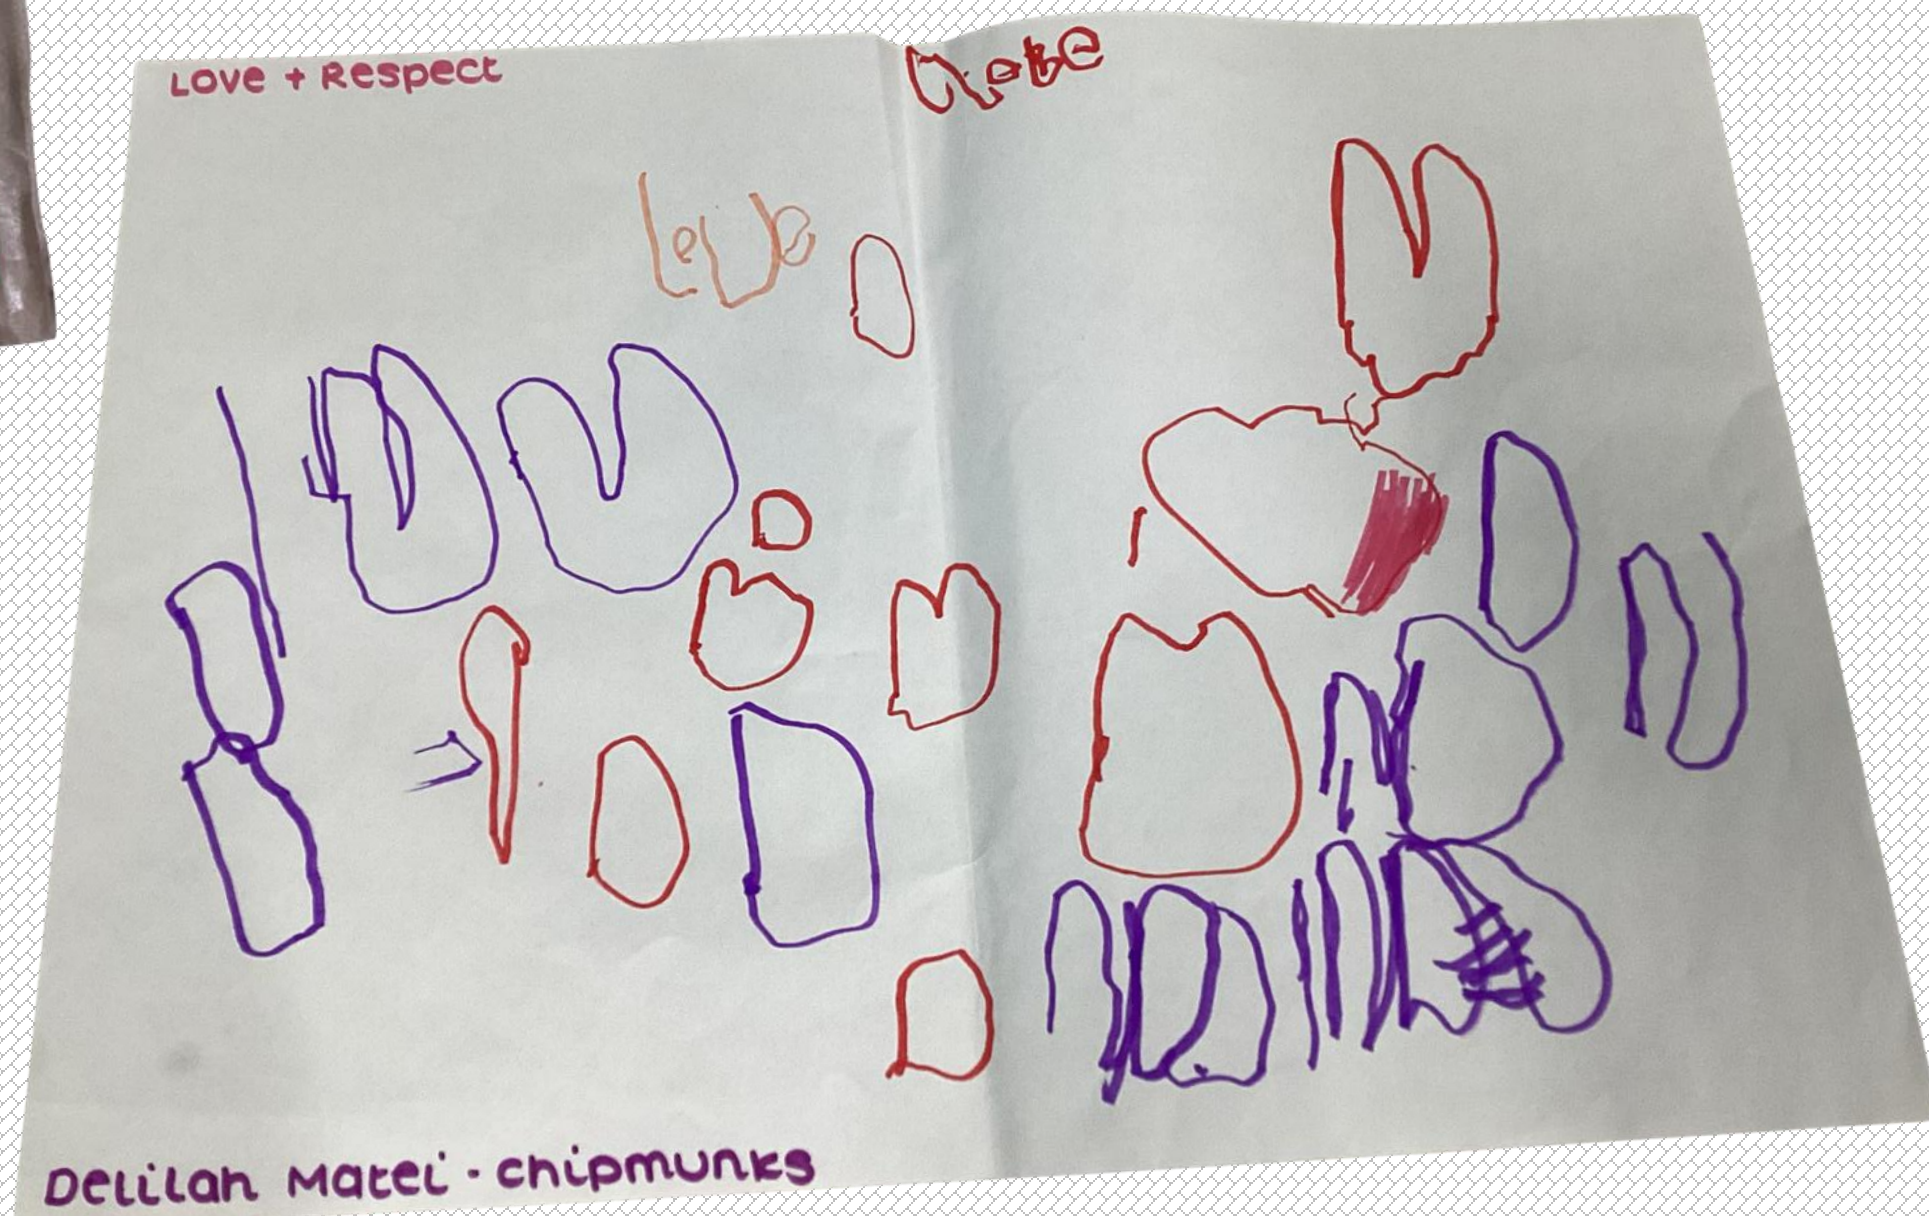

Pupils Representation of what Nurture means to them!

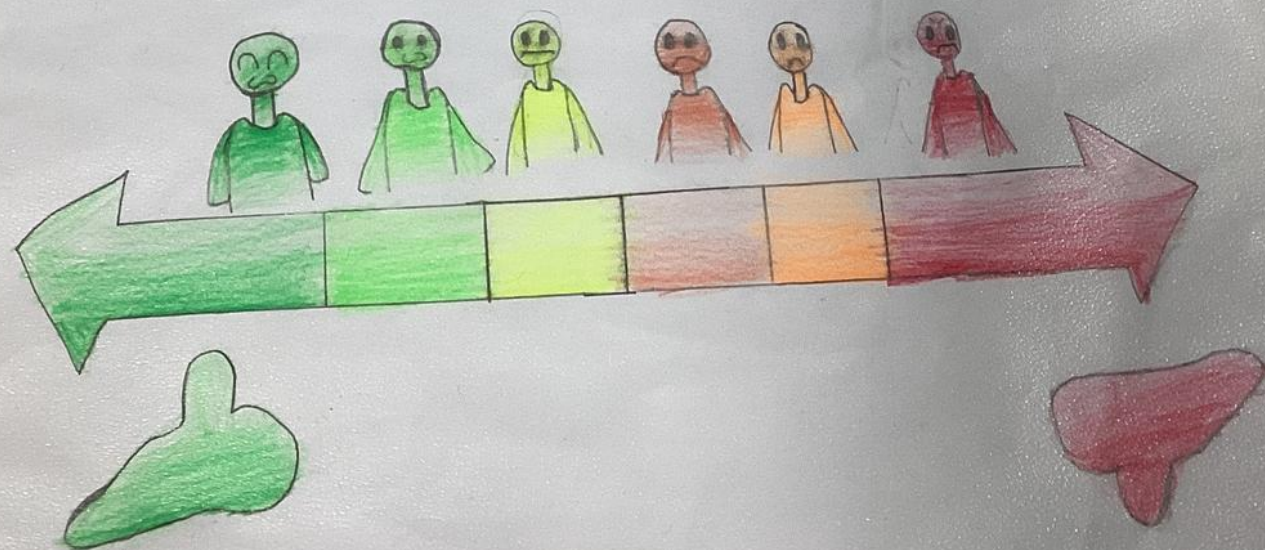

Our behavior shows
how we are feeling!

We all learn
in different
ways

Nurture recognises that not
everyone learns at the same
pace, encouraging patience and
kindness toward oneself when
stuck.

Nurture

SAFE!

We have a teacher
that keeps us
safe!

Language is a vital
means of communication

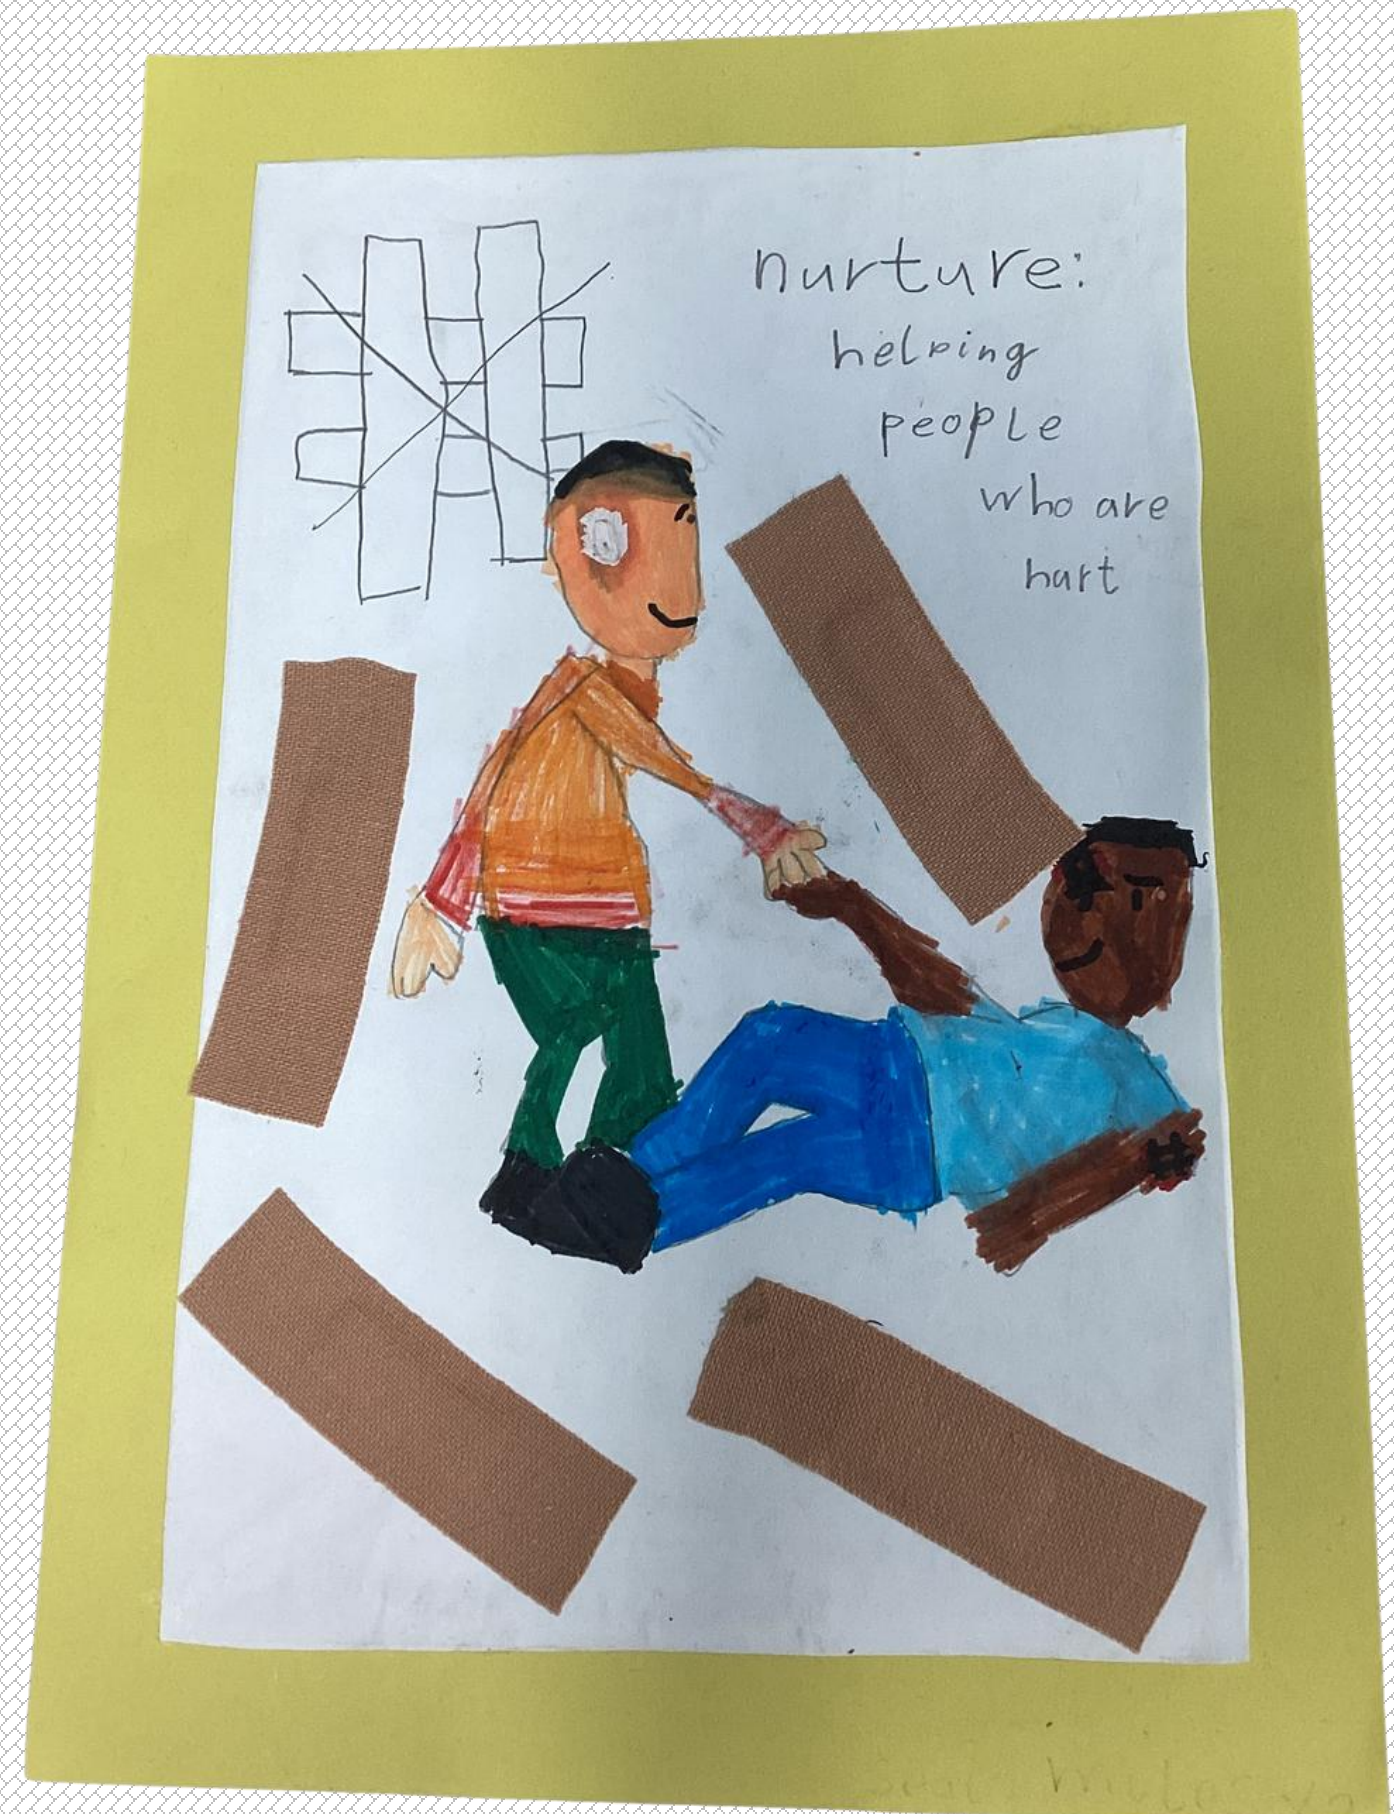

It allows individuals to express their emotions
and understand others. Communication
extends beyond speech, utilizing
non-verbal cues, sign-language and
written words to convey meaning.

Nurture provides a secure
calm, and predictable
environment, which is critical
for children to feel safe
in their learning.
