Head Teacher : Mr L Chamberlain BA (QTS) NPQH

26 June 2026

Dear Parents and Carers,

RE: Consultation on our Relationships, Sex and Health Education (RSHE) and PSHE Curriculum

As part of the Department for Education's national requirements, we are reviewing and updating our PSHE (Personal, Social, Health and Economic Education) and RSHE (Relationships, Sex and Health Education) curriculum for pupils from Reception to Year 6.

These updates are being made to make sure our teaching is up to date, reflects modern life and helps keep children safe in today's world, including online safety and safeguarding. All schools are required to have these updates in place by September 2026.

Our aim is to ensure that the curriculum is age-appropriate, clear and suitable for all pupils, while supporting children to stay healthy, safe and well-prepared for life.

As part of this review, we are asking for the views of parents and carers. We value your input and believe that working together helps children get the best support both at home and at school.

We would be grateful if you could complete our short parent consultation survey using the link below:

[Consultation on our Relationships, Sex and Health Education \(RSHE\) and PSHE Curriculum. – Fill out form](#)

The survey should take around 5 minutes to complete and will be open until **Friday 10th July**.

After the consultation closes, we will review all feedback and use it to help shape the final curriculum and policy. The updated information will then be shared with families.

Thank you for your support and for taking the time to share your views.

Yours sincerely,

Miss J Hunt
PSHE/RSHE Lead
Senior Mental Health Lead
