Head Teacher : Mr L Chamberlain BA (QTS) NPQH

17 June 2026

Dear Parents and Carers,

With the end of the school year and your child's time in Reception approaching, we would like to invite you to attend our **Reception to Year 1 Transition Information meeting**, to be held on **Wednesday 8th July at 2:15pm**, in the main school hall.

As children move from Reception into Year 1, there are naturally some differences in routines, expectations and learning experiences. At Olton, we have worked hard over the past few years to carefully develop and enhance our transition arrangements to ensure that children experience a smooth and successful move into Key Stage 1. Building on our existing provision, we have continued to review and strengthen our approach to support children's wellbeing, confidence and learning as they progress into Year 1.

At the meeting, we will share how our transition process supports children during this important stage, including some further enhancements we have planned for the children moving into Year 1 this September. We believe that a positive and well-planned transition helps children feel secure, settled and ready to thrive in their new learning environment.

During the transition information meeting we will:

- Explain our transition process in more detail and how it will support your child.
- Share information about Year 1 routines, learning and expectations.
- Outline the enhancements we have made to support children as they move into Year 1.
- Provide useful information to help you prepare your child for the new school year.
- Answer questions and address any concerns you may have.

The meeting will finish before 3:00pm to allow time for collecting children. All children will need to be collected at their usual finishing times.

Please be aware that, due to space restrictions in the main school hall, the transition meeting is for parents/carers only. Unfortunately, we are unable to accommodate younger siblings during the meeting.

Please follow the link below to confirm your attendance, even if you are unable to attend. The slides will be shared with all parents after the meeting.

We look forward to seeing you.

Kind regards,

Miss Williams
